Business Item

A. Consider accepting Shadow Ridge Phase II public improvements

Public Works Director Mike Hutto explained the required steps to be taken before the Governing Body can accept the public improvements made to Shadow Ridge Subdivision Plat 5 by Roger Johnson. Included in the packet was the punch list which has been completed with the exception of Item 4; the repair of the north end of the asphalt walking path and minor places along South Fir Street. Consensus of the Commission was to withhold final occupancies of the homes being built in this subdivision if the repair of the walking path hasn't been completed at that time.

Mayor Reazin moved the City Commission approve and accept the subdivision public improvements in Shadow Ridge 5th Plat, motion seconded by Commissioner Hughs, all ayes, motion carried, 3-0.

Commissioner Squire moved to adjourn, motion seconded by Mayor Reazin, all ayes, motion carried, 3-0.
